

Mirror Mirror on the Door

 DoorLeaves™

MirrorLite™

CS DoorLeaves is a range of aluminium framed and skinned architectural doors by CS FOR DOORS. CS DoorLeaves can be made to over-height and over-width sizes, and being aluminium, these doors are unlikely to bow, warp, rust or rot. They arrive pre-finished (hardware can also be pre-fitted), ensuring time and money is saved.

The unique design of the **CS MirrorLite** allows the mirror to cover the entire face of the door to within 9mm of the front and rear edges. When fitted to a **CS Cavity Slider** all clashing are hidden when the door is in the closed position.

↑ 1 - Two sets of CS AluSealed Cavity Sliders with 2.1m x 3.3m CS Mirrorlite doors joined using the CS Actalink system.

↑ 2 - The opposite face of the doors are paint finish.

CS MirrorLite is a pre-finished high quality double sided mirror door for residential or commercial use.

The **CS MirrorLite** is supplied as a pre-finished door complete with recessed side handles and an **Aluminium Door Front Edge Pull** fitted to the leading edge.

It is perfect for situations where a mirror door is required.

↑ 3 - CS SpaceMaker cavity slider with CS MirrorLite door leading to a walk in wardrobe.

Full specifications are available on www.masterspec.co.nz

Hardware

▲ 4 - Recessed side grips allow the door to slide fully back into the pocket.

▲ 5 - Flush front edge pull makes door retrieval from the pocket easy.

Design Features & Options

- ▶ Very stable: will not bow or twist even under varying temperatures.
- ▶ Ideally suited to cavity sliding door applications.
- ▶ Minimal clashing thickness gives the impression that the mirror covers the full face of the door (edge to edge).
- ▶ Pre-finished: even includes side handles and front edge flushpull.
- ▶ Thickness: **CS MirrorLite** doors are 39mm thick, which is ideal for use in **CS CavitySliders**.
- ▶ Available in standard and non-standard sizes up to 2.4m high and 1.2m wide.

* Guarantee conditions apply. Contact CS FOR DOORS for details.

Special Options

- ▶ CS MirrorLite doors couple well with our **CS WardrobeSliders** to provide a stylish and functional set of mirrored wardrobe doors.
- ▶ Special finishes - the mirror skin may be replaced with material of a similar thickness (4mm) for different looks. Suggested options include mirror one side and a paint finish on the reverse, e.g. on the outside of a walk-in wardrobe.
